

Press release

RAI CONSULTANTS PUBLIC LTD opening of new central offices.

The opening took place Friday 11th of November 2005, by the Minister of Finance Mr Michalis Sarris.

Heads of Parties, the Mayor of Nicosia the Government Representative, deputies, and other officials were present at the opening which preceded by agiasmos.

In his greetings the Minister of Finance congratulated the 10 year professional course of RAI CONSULTANTS in Cyprus and abroad that numbers 10 offices in countries of former Soviet Union, Central Asia and Middle East.

In his greeting, the Chairman of RAI CONSULTANTS Mr Olympios Tomazou said that during the 10 year successful course, the company was supported by an excellent collaboration with RAI's customers. It thanked also the personnel of RAI CONSULTANTS and as characteristically said, constitutes the "heart of" the company.

The new building is called "House of RAI" and is found in Skopa 8 street, in a central location of Nicosia. It constitutes a modern architectural line and was designed by the Mr Charilaos Kythreotis. Internally the building arrangement, appearance and equipment, contributes in the better service of customers.

The "House of RAI" will offer all the spectrum of services that RAI CONSULTANTS provides and moreover allocates rooms for the conduct of seminars and presentations with the most modern equipment.
